The Northport Police Department is proud to present the Citizens Police Academy. This community oriented program is designed to provide private citizens and members of the business community in the City of Northport with an insider's perspective of police work at NO COST.

During the seven week academy, participants will be exposed to several areas that their local police officers are involved in daily. Northport Police Department Instructors will cover:

- Drugs and Drug Abuse
- Communications
- Traffic Stops
- Criminal Investigations
- Domestic Violence
- Homicide
- Ride-A-Longs
- Run, Hide, Fight
- AND much more including hands on experiences and a graduation ceremony.

The Citizen's Police Academy will assist ultimately in the reduction of crime through a partnership between the community and the Police Department. This partnership is the most practical, efficient, and powerful tool in the fight against crime. Northport Police Department believes in:

Your Police,
Our Community
