Dear Valued Customer:

The City of Northport Water & Wastewater Departments are pleased to offer an **Automatic Bank Draft Plan**. Here's how it works! With our **Automatic Bank Draft Plan**, the amount of your water, sewer and garbage bill is automatically drafted from your bank account every month. We simply send you a bill each month as we always have. Then the business day before your bill is due, your bank account is deducted for the amount of your bill. The bank draft will be shown on your monthly bank statement as if a check had been written.

With the City of Northport's **Automatic Bank Draft Plan** you will never have to worry about writing a check, due dates, traffic jams, long lines, postal rate increases or your payment being lost in the mail.

**Say YES and Save Time and Money**
